

Bendigo and Adelaide Bank selects nCino to transform its business banking

20/09/2023

Bank accelerates transformation agenda by implementing nCino's single platform solution to streamline processes, improve efficiency and deliver a frictionless experience for customers and employees

SYDNEY, Australia, Sept. 20, 2023 (GLOBE NEWSWIRE) -- [nCino, Inc.](#) (NASDAQ: NCNO), a pioneer in cloud banking for the global financial services industry, today announced that Bendigo and Adelaide Bank, a leading Australian bank, has selected nCino to enhance and simplify their business banking operations. This decision was part of the bank's broader strategy to reduce complexity in its operations, deliver the best experience for their customers and employees, and accelerate growth.

nCino is a cloud-based, purpose-built banking platform that will help Bendigo and Adelaide Bank achieve their digital transformation goals by automating processes, facilitating the Bank's ability to enhance compliance, and empowering its bankers. By introducing nCino into their operations, Bendigo and Adelaide Bank will leverage intelligent automation, streamline processes, deliver a faster time to decision and enable their bankers to devote more time on building relationships with customers.

"We are pleased to partner with nCino as we step up our efforts to simplify our business," said Adam Rowse, Chief Customer Success Officer for Business Bank & Agribusiness at Bendigo and Adelaide Bank. "Our goal is to deliver our customers and staff with best-in-class user experience and to streamline our operations so that we can move at pace while delivering sustainable growth."

"We are a partner of choice for progressive banks globally, with a proven track record of helping them scale efficiently, improve customer experience, and innovate at speed," said Mark Bernhardt, Managing Director of Australia and New Zealand at nCino. "We are very excited to partner with the Bendigo and Adelaide Bank team on their current transformation journey towards streamlining processes and creating a frictionless experience for their customers and staff."
