

CIBC Selects nCino's Platform to Deliver Enhanced Client Experience for Business Banking Clients

January 12, 2022

TORONTO, Jan. 12, 2022 (GLOBE NEWSWIRE) -- [nCino, Inc.](#) (NASDAQ: NCNO), a pioneer in cloud banking and digital transformation solutions for the global financial services industry, today announced that CIBC, one of Canada's Big Six banks, has selected the [nCino Bank Operating System®](#) to provide CIBC's Business Banking team with a modern, scalable and flexible platform to enhance the experience for its Canadian business clients.

Leveraging nCino's solution, CIBC will be able to improve both the client and employee experience by streamlining complex processes through digitizing and automating the client journey, allowing for a faster, more efficient and more transparent experience for business owners.

"Financial institutions are being challenged to redesign and tailor an experience that best fits their client base. We believe the nCino platform will enable CIBC to better meet the needs of their business banking clients, while also providing a modern technology experience for their employees," said Pierre Naudé, CEO at nCino. "We are thrilled to be working with CIBC and look forward to modernizing the banking experience for Canadian business owners."

"We're committed to supporting business owners in making their ambitions a reality, and the investments we're making in digitizing and modernizing the client experience will further add to the value we provide to our business clients," said David Leuty, Senior Vice-President, Business Banking, CIBC.
