

nCino to Convene Financial Services Industry at Annual User Conference nSight 2022

May 11, 2022

Cloud banking leader hosts tenth annual user conference to showcase best practices in building the financial services industry of tomorrow

WILMINGTON, N.C., May 11, 2022 (GLOBE NEWSWIRE) -- [nCino](#), Inc. (NASDAQ: NCNO), a pioneer in cloud banking and digital transformation solutions for the global financial services industry, will host its tenth annual [nSight user conference](#) in Raleigh, N.C. on June 7-9, 2022. nSight 2022 will be held in-person for the first time since 2019 with more than 1,200 attendees – including customers, partners and company employees – expected to convene to discuss strategic trends in financial services, cloud technology, and best practices for using nCino's [Bank Operating System®](#).

The three-day event will bring together representatives from global enterprise banks, regional and community banks, and credit unions to hear from visionary leaders, discuss industry trends, share best practices and actionable takeaways, and explore the latest features and functionality of the nCino Bank Operating System®. The conference will feature a variety of concurrent keynotes, 20 breakout sessions, numerous roundtable discussions, and plenty of networking opportunities and bespoke experiences that explore the industry topics and trends most pertinent for the ecosystem of financial institutions in attendance.

nSight 2022 speakers include:

- Shane Loper, Chief Operating Officer, Hancock Whitney
- Jay Poole, Head of Product and Engineering Commercial Lending, Truist
- Katie Hodges, Head of Strategy, Tech Analytics and Profitability, Truist
- Grant Abbott, Commercial Product Lead, Kiwibank

For the first time, nSight 2022 will also feature programming focused on modern mortgage lending, incorporating sessions centered on [SimpleNexus](#), which nCino acquired in January, and its leading cloud-based, mobile-first homeownership platform. These sessions will demonstrate how the SimpleNexus platform seamlessly unites the people, systems, and stages of the home buying process into a single end-to-end experience, enabling loan officers, borrowers, real estate agents and settlement agents to easily engage in the homeownership process from any device.

"nSight 2022 is the premier event for the financial services industry – whether your goal is to collaborate with your peers, bridge lines of business with your strategic partners or learn new processes, skills, or best practices, nSight is where the industry comes together to connect and learn," said Pierre Naudé, CEO of nCino. "After two years of conducting nSight virtually, we're ecstatic to be back in person and stronger than ever."

Registration for nSight 2022 closes on May 13. [Register now](#).
