

## Bank of New Zealand Selects nCino to Transform Digital Banking Experience

November 30, 2022

### New Zealand's leading business bank selects nCino cloud-based platform to exceed customers' growing expectations

AUCKLAND, New Zealand, Nov. 30, 2022 (GLOBE NEWSWIRE) -- [nCino, Inc.](#) (NASDAQ: NCNO), a pioneer in cloud banking and digital transformation solutions for the global financial services industry, today announced that the [Bank of New Zealand](#) (BNZ) has selected the [nCino Bank Operating System®](#) as a key technology platform.

nCino's single cloud-based platform enables financial institutions to more effectively onboard clients, make loans, manage loan life cycles, and open deposit and other accounts across lines of business and banking channels.

Mark Bernhardt, Managing Director of Australia, and New Zealand at nCino says, "Now, more than ever, financial institutions require an end-to-end digital and customer-centric platform approach in order to meet the increasing and changing expectations of their customers at speed. We look forward to partnering with BNZ on this journey."

With more than \$100 billion NZD in assets (USD 56.2B), BNZ has operated in New Zealand since opening its first office in Auckland in October 1861. The bank employs over 5,000 people in New Zealand.

BNZ Executive Customer, Products, and Services, Karna Luke says, "Our customers have high expectations, and BNZ is continually seeking improvements to our exceptional customer experience delivery through careful investment in digital capabilities and operational excellence."

### About nCino

nCino (NASDAQ: NCNO) is the worldwide leader in cloud banking. The nCino Bank Operating System® empowers financial institutions with scalable technology to help them achieve revenue growth, greater efficiency, cost savings and regulatory compliance. In a digital-first world, nCino's single cloud-based platform enhances the employee and client experience to enable financial institutions to more effectively onboard clients, make loans and manage the entire loan life cycle, and open deposit and other accounts across lines of business and channels. Transforming how financial institutions operate through innovation, reputation and speed, nCino is partnered with more than 1,750 financial institutions of all types and sizes on a global basis.
